Dear Parents/Carers of Senior School Students,

Re: Information Evenings for Year 9 2021 and Year 11 2021

Next week we will be conducting our Information Evenings for students in Year 8 and Year 10 and their parents/carers regarding the structure of teaching and learning at Mamre Anglican School in Year 9 and Year 11 in 2021. Due to the government's social distancing requirements, these meetings will be held using the Zoom online video conferencing platform that your children have been using for some of their classes over the last few weeks.

We encourage you to use one computer/tablet per household to access these meetings to reduce the number of devices needing to join the meetings.

Year 9 2021: Tuesday 5 May, 6.00pm to 6.45pm

Please log in to Zoom for a video conference **between 5.45pm and 5.55pm** so we can commence promptly at 6.00pm.
