

MAMRE ANGLICAN SCHOOL

**LOCAL SPORTS PERMISSION NOTICE
ST MARYS / PENRITH AREA ONLY**

Dear Parents/Guardians,

Students in both the Junior and Senior Schools are regularly involved in sports activities that require transport to venues in the local area (e.g. Jamison Park).

As a rule students are transported to these venues on buses arranged by the School. Students are always supervised on the buses by School staff.

In order to minimise the number of notes that need to be returned to school each time students travel to local venues for sport I am sending home one general permission note for all sports activities involving bus travel for sport within the local St Marys / Penrith area.

If students going to sport need to travel by private transport parents will be asked to grant permission on each and every occasion this occurs. This general Local Sports Permission Notice does not cover such situations.

Please complete the Local Sports Permission Notice below and return it to Reception.

**LOCAL SPORTS PERMISSION NOTICE
