New Cashless System for Canteen!

Mamre is always seeking to make your interactions with the school more convenient and secure and that's why we have engaged Flexischools, Australia's leading school payment system, to provide a new cashless way to pay for school services.

Set Up Your Account

Setting up an account is done online and only takes a minute. Simply go to www.flexischools.com.au and click **Register**. You will be sent an email with further instructions on how to complete the registration.

The system operates via a pre-paid account, so you don't need to search for coins in the morning and can easily budget for your spending throughout the term. There are a variety of payment options supported, including Visa, Mastercard (credit and debit), PayPal and Bank Transfer.

When topping up your account, any applicable top-up fee will be added to the total amount. You have three options for topping up your account:

Direct deposit: Choose this option during top-up to receive your individual **reference number**. You will need to enter this into the reference field when transferring from your preferred account. This method is **free** however normal banking timeframes apply (**2-3 days to clear**).

Credit card: Use VISA or Mastercard to top-up your account or to setup automatic top-ups. This method has a **29c** top-up fee and is **immediate**.

PayPal: Use any of your accounts linked to PayPal to top-up your account or to setup automatic top-ups. This method has a **35c** top-up fee and is **immediate**.
